

**Hazardous Waste Small Quantity Generator Program
Fee Schedule**

Waste Category	Example of Typical Wastes	Cost (\$)	
		per pound/unit	per gallon
Latex Paint (100 gallon maximum limit per month)	interior, exterior, primer		\$0.60 gal (\$3/5-gal)
Fuels Blending- Loose Pack	oil based paint, stains		\$2.20/gal \$11/5-gal
Fuels Blending - Bulk	fuel, solvent, thinners	\$0.20/lb	
Fluorescent Bulbs / HID (100 units maximum limit)	CFLs, 4' tubes, 8' tubes, U-shaped, HID	\$0.10/ft \$0.25/CFL \$1.50/HID lamp	
Propane Cylinders (up to 1lb)	Propane, MAPP	\$2.00/ea	
Cylinders	Part A & Part B	Not Accepted	Not Accepted
Aerosol Cans	Spray paint, pesticides, automotive	\$1.00/ea	
Dioxin and Dioxin Precursors	2,4,5-T, pentachlorophenol and esters	Varies; call for quote	Varies; call for quote
Mercury	elemental mercury	\$5.75/lb	
	Nessler		\$150/5 gal
	COD Vials	\$10/lb \$50/box	
Waste Oil (No PCB) -	waste motor oil, other lubricants		\$0.30/gal
Lab Pack* *Prices are based on commonly received items. Some products may be subject to minimum pricing typically ranging from \$118.45 - \$128.75/container	corrosives	\$3.05*	
	Poisons, toxic, pesticides, herbicides	\$1.87*	
	oxidizers	\$2.95*	
	flammable solids	\$2.46*	
	organic peroxides, reactive, Part B & amines	\$6.85*	
Batteries (Non-Lead Acid)	Alkaline, Small Rechargeable (NiMH, Ni-Cad, Lithium Ion, etc.), Button Cell, Lithium	\$0.60/lb	
Tires (10 tires maximum limit)	Rimless/Rimmed	\$2.50/3.50 ea	
Antifreeze (not mixed with any other automotive fluids)	Propylene glycol, Ethylene glycol		\$0.50/gal

- **Please Note: This fee schedule is subject to change without notice.**
- A 20% processing fee will be charged based on total fee charged per drop off. For example, one gallon of paint thinner disposal fee is \$2.20; a 20% processing fee would bring the total to \$2.64.
- All weights are calculated on the gross weight (including container).
- Latex paint and waste oil do not count toward the SQG generation rate.
- We do not accept waste in containers larger than 5 gallons.

Revised January 2019
