

CCPC Mission Statement

CCPC is a state wide Family Child Care Organization dedicated to promoting quality child care and professionalism in Kansas.

What is CCPC?

CCPC is a non-profit organization founded for and by Family Child Care Providers in Kansas as a support group for strength and unity in representing our viewpoint on child care issues.

CCPC voting membership is open to all regulated licensed Family Child Care providers in Kansas. Supportive memberships are also available for child advocates, agencies, etc. with some benefits limited.

CCPC recognizes the beauty of diversity in Family Child care, and realizes that there are many right ways to do things. We do not dictate to providers how to run their business, but encourage what works best with each provider's family, talents, and resources.

CCPC of Kansas, Inc. supports regulatory requirements as they protect the health and safety of children.

CCPC of Kansas, Inc. encourages cooperation with other agencies interested in child care and upgrading the stature of child care.

CCPC Goals

- To promote professionalism in Family Child Care in the state.
- To strengthen local associations as the primary support systems for individual Family Child Care providers.
- To represent Family Child Care providers by advocating for their needs on different committees, task forces and commissions.
