Mental Health/Substance Abuse

Leadership

Co-Chairs:

- Jamie Katz
- Carol Roeder-Esser

Scribe:

- Kimberly Herndon

Length of Term:

- Two years

Frequency of meetings:

- Monthly

Greatest Opportunities for Impact

- Educating residents of mental health and ATOD issues
- Decrease stigma associated with mental health and ATOD
- Educating community about mental health/ ATOD resources and bullying prevention
- Starting prevention in early childhood education and elementary school
- Prevention among youth, especially in times of transition

Potential Strategies

- Build coalition
- Expand reach of Mental Health First Aid class
 - businesses, local government, NGO
- Make mental health awareness “cool”
 - using social media, etc
- Include national mental health awareness activities in our efforts
- Expand reach to teens
 - something similar to MH First Aid
- Partner with schools on bullying prevention
 - What’s happening now?
 - Evaluation
- Educate parents/youth on bullying
- School policies on bullying
 - What are they?
 - Enforcement?
- Encourage legislation on cyber bullying
- Document internal/external partners and their focus
- Strengthening partnerships
- Encourage evidence based practices. Especially in early childhood programs
- Encourage smoke-free campuses in all schools
- Focus on one piece of information, compile and have in one location
- Peer support – identify and connect

**Johnson County Health Department
Community Health Assessment/Community Health Improvement Plan Meeting
November 15, 2011**

Top Three Strategies

- Prevention/Early Intervention targeted to children and youth
- Community Education/Anti-Stigma
- Policy Changes

*Group believes that addressing bullying is an important component of all three goals.

Physical Activity and Nutrition

Leadership

Co-Chairs:

- Bill Crooks
- Karen Doyle
- Kevin Walker

Scribe:

- Nicole Brown

Length of Term:

- Grant dependent/one year

Frequency of meetings:

- Next meeting – January

Potential Strategies

- Safe Communities - To ensure people are out and about
 - Using community sidewalks, trails, parks, etc.
- Good (the right) information regarding nutrition/diet, ensuring access to good food
