

JOHNSON COUNTY WASTEWATER
REQUEST FOR INFORMATION MEETING

Dear Chief Engineer:

I request that you study the feasibility of installing sanitary sewers that would serve my property and that of a logical study area in my vicinity, and that you conduct an information meeting with property owners in the study area to report the estimated costs and procedures to obtain such sewers.

Name: _____

Mailing
Address: _____
(Number and Street)

(City) (State) (Zip)

Phone Number: Daytime (____) _____ Evening (____) _____

Property for which an information meeting is requested:

- Same as above If a different property, please provide address or property ID number for the property:

I understand that upon request, the above information may be released indicating that I requested the information meeting. I further understand that the property owners within the study area would not be under any obligation to proceed with the installation of sewers, nor would there be any direct cost to the included property owners for performing the requested study and meeting.

Requestor understands that Johnson County Wastewater is not obligated to conduct an information meeting and may decide not to hold an information meeting if it determines, in its sole discretion, that there is inadequate support for the proposed project or that the meeting is not practical or feasible for any reason.
